

GATA Equity Tools and Resources

1) **The IDHS GATA App** is a Grants Accountability and Transparency Act technical assistance and supports application that intuitively guides grant seeking organizations and community partners through every step of the pre-qualification and pre-award process in order to become GATA prequalified. The app provides an easy-to-follow, step-by-step guide to complete the five prequalification requirements. It also helps users register for the CSA Tracking System and the Central Repository Vault (CRV), and at the very end links them to all available grant opportunities. This innovative GATA resource is available now on IDHS's website so please visit: dhs.illinois.gov/grants/guide

2) **The IDHS Recipe for Grant Success**, an in-depth online training tool, that walks users step-by-step through the process to become GATA prequalified – it is available at the following link: <https://enuggetlearning.com/idhs>

3) **IDHS's Short and sweet- 45-minute pre-recorded GATA training video**, walks users through the pre-award process to become GATA pre-qualified – this training is available at the following link: [Grants Accountability and Transparency Act \(GATA\) Training](#)

4) **The GATA Prequalification Verification** is where organizations who simply want to verify whether they have met all the GATA requirements can complete a brief form online by visiting accessing the following link: <https://tinyurl.com/yzkumikh>
